### DETAILED ACTION

1. The newly submitted Abstract, filed on August 19, 2005, is acceptable.
2. Claims 1-10 remain allowed.
3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claims 11 and 12 are again rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 11 is indefinite because in line 5, there is no direct antecedent basis for the recitation of "the method". Change "the" to "a" to overcome this rejection. Claim 12 is indefinite because it depends from indefinite claim 11.
5. Claims 11 and 12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
6. As all of the claims have either been allowed or indicated to be allowable upon appropriate amendment, any remarks made by applicant in either the amendment of June 27, 2005 or August 19, 2005, are moot and need not be answered by the examiner.
7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

Art Unit: 1724

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
